

WEATHERIZATION PARTNERSHIP AGREEMENT

This Is not a Legal Document

This agreement, while not a legal document, sets forth our commitment to provide you with the best possible energy saving treatment for your home. It also sets forth your commitment to work in partnership with our agency to help us to achieve our goal of providing you with the finest weatherization available.

AGREEMENT OF CLIENT-CUSTOMER

I, _____ hereby agree to a partnership with ULSTER COUNTY COMMUNITY ACTION for the weatherization of my home located at _____

- 1.1 agree to answer all questions relating to the use of energy in my home to the best of my ability.
- 2.1 agree to provide the weatherization staff person with copies of my energy bills, so that a true analysis can be calculated regarding energy consumption.
- 3.1 agree to be at home, or arrange to have someone present in my home, when the auditor comes to audit my home, when the crew comes to do the work and when the agency staff person comes to post inspect the work.
- 4.1 agree to try suggestions given by staff of the weatherization program that may help me to further reduce my energy costs.

Signature of Client-Customer/Date

AGREEMENT OF WEATHERIZATION AGENCY

I, ANTHONY PAMPINELLA, the Weatherization Director for ULSTER COUNTY COMMUNITY ACTION WEATHERIZATION ASSISTANCE PROGRAM hereby enter into this agreement on behalf of my staff and any weatherization subcontractors.

In order to achieve the greatest possible energy efficiency in the home of _____, I agree to:

1. Perform a thorough energy audit of the premises to determine the condition of the heating system, the air-leakiness, and the extent of existing thermal barriers within the dwelling.
2. Install the most appropriate and high quality materials.
3. Notify the client-customer of any problems or repairs that the Weatherization program staff finds but cannot remedy.
4. Perform all work in a professional manner and to leave the premises tidy.
