

WEATHERIZATION ASSISTANCE PROGRAM GUIDELINES FOR APPLICANTS

Eligibility for Weatherization services is income-based. These are the Income Guidelines effective October 2019.

| Household Size | Gross Monthly Income | Gross Annual Income |
|----------------|----------------------|---------------------|
| 1 | \$2,494 | \$29,928 |
| 2 | \$3,262 | \$39,144 |
| 3 | \$4,030 | \$48,360 |
| 4 | \$4,797 | \$57,564 |
| 5 | \$5,565 | \$66,780 |
| 6 | \$6,332 | \$75,984 |
| 7 | \$6,501 | \$78,020 |
| 8 | \$7,238 | \$86,860 |
| 9 | \$7,975 | \$95,700 |
| 10 | \$8,711 | \$104,540 |
| 11 | \$9,448 | \$113,380 |
| 11+ | Add \$737 | For Each Person |

If you already receive Food Stamps, TANF, SSI or HEAP assistance, you may be automatically eligible for Weatherization Services at NO COST TO YOU!

Services that may be provided include:

- Perform on-site energy audits
- Reduce home energy costs
- Improve heating efficiency
- Repair/replace windows and doors
- Address energy related health and safety conditions
- Reduce air infiltration

(See reverse side for application instructions)
